Adelaide Gay & Lesbian Qwire at the Opening of the SLISA Exhibition 'An Open & Shut Case?' (\$300)

The Adelaide Gay & Lesbian Qwire performed twice during the opening of the exhibition, once in the foyer as the guests arrived and then again during the opening ceremony. The performance in the foyer was particularly effective as it set the mood as guests arrived and the voices of the choir carried into the exhibition space one floor above.

The appearance of the choir was much appreciated by the guests. Below are some photos. Report by Ian Purcell on behalf of Tim Reeves (applicant).
