

Parkestone Funding Application Report 2015

Bases for flag-poles for State Library Exhibition 'An Open & Shut Case?' (\$250)

The cost of the two bases plus delivery was \$200. I donated the remaining \$50 to the Adelaide Gay & Lesbian Qwire to make their grant \$300 in total to compensate for the fact that they were expected to perform twice – once while guests arrived and again during the opening ceremony.

The exhibition opening was very successful with over 100 guests in attendance. Here are some photos of the event. Report by Ian Purcell.
